Thornhackett Parish Council:

Rogue Traders in Thornford

28/05/2026 – Roofers cold called resident and told them they needed work doing on their roof and quoted £1,600. A worker then went on the roof, removed various tiles and claimed joists were rotted and the whole roof needed repairing and quoted £16,000.

Resident refused and then employed a local roofer to assess the job who replaced the tiles as the roof had no rot issues. Cold caller trader reported to Trading Standards for investigation.
