

You are invited to attend a Green Action Plan Meeting

A Climate and Ecological Emergency has recently been declared by the Thornhackett Parish Council.

The next step is to prepare a **Green Action Plan** which addresses community needs and represents community views.

Everyone's views and ideas, big or small, are important!

With your help we would like to create the **Green Action Plan for our Parish**. This will be used to drive initiatives to include reducing carbon emissions and restoring nature.

The first of three meetings will be held **on Tuesday November 7th at 7.30pm in the Village Hall** (*lasting approximately an hour*). Please come along if you can. Thank you.

If you cannot attend, please email any thoughts you may have to thornhackett@dorset-aptc.gov.uk or leave comments on the Sustainable Thornford Facebook page or the Thornhackett website.
